To the Investing

Public

N fairness to our clients, to the investing public, and to ourselves,

S. W. STRAUS & CO., desire to make the following statements:

We have no connection whatever with any other firm,

company, or organization of similar name selling stock.

We will continue, now as in the past, to underwrite and

offer only first mortgage bonds of unimpeachable safety.

These facts we desire to emphasize because the public announcements of

a house of similar name might give the erroneous impression that we have deviated from our policy of dealing only in the highest type of investment security—the first mortgage bond, safeguarded under the Straus Plan.

The fact that our method and plans have been widely imitated is evidence of the soundness of the principles we have followed and clearly indicates

the place which this institution occupies in the financial life of the nation.

SPLENDID OPPORTUNITY FOR A FEW MEN

A Local Firm wants four active men with \$2.000, or else ten men with \$1.000 each, to join us in the reorganization of this company, to increase our manufac-turing facilities, for a nation-wide distribu-tion.

—just so you are honest industrious and of good address—we have an opening for you with a wonderful luture. So do not hesitate because of lack of experience; we will help you make a success of it—right from the start—and your success will not only mean money in your pocket, but will prepare you for a permanent future.

The opportunity we offer is clean, uplifting and profitable; the product we
manufacture really repents; our setting plan
creates the buying impulse; the taking
points immediately make the prospect responsive to a closing argument; an unusual degree of profitable success awalte
the men who are keen enough to take
advantage of this unusual opportunity to
get into business for themselves.
